His Excellency

Executive Governor of Ebonyi State

Government House

Abakaliki.

Your Excellency,

ESTABLISHMENT OF STATE STEERING COMMITTEE AND TECHNICAL COMMITTEE ON FRAMEWORK FOR RESPONSIBLE AND INCLUSIVE LAND INTENSIVE AGRICULTURE (FRILIA)

I sincerely appreciate Your Excellency for supporting the implementation of the SABER Programme in Ebonyi State.

2. Your Excellency as a follow up on the programme, may I refer to the above subject and the virtual technical sensitization meeting organized by the Presidential Enabling Business Environment Council (PEBEC) in line with the World Bank protocol for implementation of SABER Programme and submit as follows:

- i. FRILIA is a framework designed to ensure adherence to principles that cover overarching investment, recognition and protection of land rights, state land acquisition and resettlement, and environmental and social responsibility.
- ii. Disbursement accruing from the SABER Program is a credit from the World Bank on-lending to the States for a tenure of 30 years at interest rate of 1.25% per annum on the withdrawn Credit Balance.

3. Your Excellency may wish to note the progressive development on the SABER Programme concerning the establishment of the FRILIA Steering and Technical Committees and the exigency as shared in the PEBEC meeting.

4. The functions of these committees are captured in the Executive Order on FRILIA already signed by Your Excellency. It is also a mandatory requirement for Ebonyi State to earn disbursement under DLI 1 of the SABER Programme.

5. Your Excellency, please find attached the composition of the **State Steering Committee (Appendix 'I^a')** and the **Technical Committee** (attached **Appendix 'I^b'**) on FRILIA as recommended by the Presidential Enabling Business Environment Council (PEBEC).

Humbly submitted for Your Excellency's approval.
