1 Summary of Performance

1.A Introduction

This Budget Implementation Report for Ebonyi State is prepared quarterly and issued within 4 weeks from the end of each quarter.

This report includes the original approved budget appropriations for the year 2025 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

This Q2 report is assessed against the 2025 Original budget.

The core economic classifications, as per the National Chart of Accounts (NCOA) refer to:

- Revenue – Economic Account Type 1
- Personnel Expenditure – Economic Sub-Account Type 21
- Overheads Expenditure - Economic Account Class 2202
- Capital Expenditure - Economic Sub-Account Type 23
- Others Expenditures (covering Loans, Grants and Contributions, Subsidies, Debt Service and Transfer Payments) - Economic Account Classes 2203-2209 as applicable.

This report includes, in sections 3 and 4, detailed reports on Primary Healthcare and Basic Education expenditures, respectively.

This Budget Implementation Report is produced by the Office of the Account General and the Ministry of Budget, Planning, Research and Monitoring and published on the Ebonyi State website.

1.B Revenue Performance

In the approved 2025 budget, a total revenue projection of ₦429.98 billion (excluding opening balance) was established. As of the end of Q2, total actual revenue stood at ₦136.72 billion, representing 31.8% performance against the annual revenue projection.

Federation Account Allocation Committee (FAAC) Receipts

For Q2, total FAAC receipts amounted to ₦71.37 billion, bringing the cumulative half-year total to ₦112.48 billion—equivalent to 40.3% of the projected annual FAAC revenue. Notably, ₦17.3 billion was received from unanticipated FAAC components: ₦5 billion from Project Gazelle and ₦12.2 billion from NLNG. These were classified as “Other FAAC Receipts” under revenue code 11010399, as they were not initially projected during budget preparation.

Internally Generated Revenue (IGR)

The State's actual IGR for Q2 was ₦8.75 billion, with a cumulative half-year collection of ₦13.04 billion. This represents a 41.8% performance against the 2025 IGR budget target, reflecting moderate progress in revenue mobilization.

Capital Receipts

Capital receipts for Q2 were modest, totalling ₦77.09 million. However, the cumulative figure for the half-year reached ₦10.93 billion, achieving just 10.3% of the budgeted amount.

Aid and Grants

Aid and grants inflow in Q2 was minimal at ₦470,000, with a cumulative total of ₦273.45 million—only 2.0% of the projected figure for the year.

The underperformance in Capital Receipts and Aid and Grants is largely attributed to the absence of expected tranches during Q2. The State anticipates significant disbursements in the subsequent quarters, which are expected to improve overall revenue performance in these categories.

1.C Recurrent Expenditure Performance

The total budgeted recurrent expenditure for the 2025 fiscal year was ₦117.07 billion. As of Q2, actual recurrent expenditure stood at ₦22.01 billion, bringing the cumulative half-year expenditure to ₦38.38 billion. This represents a utilization rate of **32.8%** of the total annual recurrent budget.

Personnel Costs

A total of ₦36.66 billion was allocated for personnel costs in the 2025 budget. Actual expenditure in Q2 amounted to ₦8.37 billion, resulting in a cumulative half-year spending of ₦13.95 billion. This reflects a **38.0%** utilization rate of the annual personnel budget.

Other Recurrent Costs

The budget for other recurrent expenditures was ₦80.42 billion. In Q2, ₦13.63 billion was spent, with a cumulative expenditure of ₦24.43 billion as of mid-year. This equates to a **30.4%** utilization of the allocated budget for other recurrent costs.

1.D Capital Expenditure Performance

The 2025 Ebonyi State Budget allocated ₦327.9 billion for Capital Expenditure. During the second quarter under review, the State expended a total of ₦13.86 billion, bringing the cumulative expenditure for Q1 and Q2 to ₦36.89 billion. This represents a capital budget utilization rate of 11.3%.

The relatively low performance in capital expenditure is primarily attributed to the budget profiling approach, which scheduled the implementation of several large-scale capital projects for the third quarter and beyond. Additionally, some capital expenditures incurred in key sectors—such as the State Primary Health Care Development Agency and Basic Education—were not initially captured in the approved budget.

To address these issues, the State plans to undertake a budget review in the third quarter to incorporate these expenditures and realign budget provisions to support timely and efficient project execution.

1.E Conclusions

In conclusion, Ebonyi State demonstrated a commendable revenue performance in the second quarter of 2025. This financial performance enabled the government to meet key obligations, including the timely payment of salaries, coverage of overhead costs, and execution of select capital projects profiled within the quarter.

Looking ahead, the State anticipates the commencement of major capital project implementations in the subsequent quarter. Additionally, efforts are underway to revise the budget to address emerging fiscal and operational challenges that were not originally anticipated.

Overall, Ebonyi State remains strategically positioned for sustainable economic growth and development in the remaining quarters of the year.

Chief Mrs. Deborah Chinwe Okah
Honourable Commissioner

3 Primary Healthcare Budget Performance

3.A Overview

Primary Health Care (PHC) was allocated a total of **₦15,713,343,000.00** in the **2025 Original Budget**. For the quarter under review, 2025 quarter 2, the budget performance for the sub-sector was captured at only **₦21,185,000.00** with a cumulative (Q1 – Q2) total of **₦228,000,000.00**, (representing **1.5%** of the PHC budget).

The State government is committed to enhancing Primary Healthcare service delivery; therefore, budget performance is expected to improve drastically in the subsequent quarters
