

GOVERNMENT OF EBONYI STATE OF NIGERIA
OFFICE OF THE GOVERNOR

GOVERNMENT HOUSE, P.M.B 0020, ABAKALIKI

15th November, 2024

EXECUTIVE ORDER 007, 2024

**EXECUTIVE ORDER ON THE ESTABLISHMENT, ADOPTION, AND
IMPLEMENTATION OF FRAMEWORK FOR RESPONSIBLE AND INCLUSIVE
LAND INTENSIVE AGRICULTURE (FRILIA)**

WHEREAS

Ebonyi State Government (ESG) in a bid to improve the investment climate intends to develop a Framework for Responsible and Inclusive Land-Intensive Agriculture Investments (FRILIA). The Framework ensures that land acquisition and resettlement for large-scale agribusiness investments are undertaken in line with established international good practices and guarantee shared benefits between private investors and surrounding communities.

Whereas,

The Government of Ebonyi State is desirous of deepening the State's agribusiness reforms including delivering a win-win approach to all the relevant stakeholders on agricultural land matters and investment opportunities.

Whereas

FRILIA will enhance access to large-scale investments, gainful employment on large-scale farms, sufficient income, and protection from the volatility of agricultural labour and product markets. The Framework will ensure adherence to guiding principles covering overarching investment, recognition and protection of land rights, state land acquisition and resettlement, environmental and social responsibility.

Whereas,

In order to achieve Government's Objective of creating an enabling, responsible and inclusive business operating environment for large-scale agribusiness investments in Ebonyi State, there is need for:

NOW THEREFORE I, RT. HON. BLDR. NWIFURU FRANCIS OGBONNIA, FNIQB, FCAI, GGCEHF, GOVERNOR OF EBONYI STATE, BY VIRTUE OF THE AUTHORITY VESTED IN ME BY THE 1999 CONSTITUTION (AS AMENDED) OF THE FEDERAL REPUBLIC OF NIGERIA AND THE LAWS OF EBONYI STATE INCLUDING BUT NOT LIMITED TO THE LAND USE CHARGE LAW, 2012 HEREBY ORDER AS FOLLOWS:

1. ADOPTION OF FRILIA PRINCIPLES

- (1) There shall be adherence to core principles that mainstream international best practices, such as those based on the Principles for Responsible Investment in Agriculture and Food Systems and related principles and guidance, into the development of agribusiness in the state for sustainable economic growth and development. These include, but are not limited to:
 - a. That overarching investment will be consistent with and contribute to the policy objective of the government.
 - b. The investment will be conducted transparently, avoid or minimize land acquisitions requiring voluntary or involuntary resettlement, minimize adverse effects from land acquisition, ensure a range of inclusive investment and production models are considered, subject the investment to consultation and participation with all potentially affected communities, ensure the affected communities have opportunity and responsibility to make informed decisions regarding land acquisition, foster gender equality and empowerment of women and youth and lastly, the investment will be monitored.
 - c. Recognize and protect land rights (including customary, informal and rights to common property resources) by safeguarding against dispossession of legitimate tenure rights holders or partial treatment through: prompt payment of adequate compensation in cash, alternative land or other forms of compensation, including supplementation livelihood restoration; and a robust and effective grievance redress mechanism that provides accessible and affordable procedures for third-party settlement of dispute while considering the

availability of judicial recourse, community, traditional dispute resolution mechanisms.

- d. Ensure transparent and fair State land acquisition and any resulting resettlement by disclosing and applying consistently, compensation standards as described above. Require that economic and social impacts be identified and addressed with adequate compensation, supplemental livelihood improvement/restoration, public infrastructure and community services, and option of land replacement, as may be appropriate.
- e. Ensure environmental and social sustainability by observing safeguards against environmental damage. Prior to approval or any final decision to proceed, investments will be subjected to independent assessments of potential positive and negative impacts on tenure rights, food security, livelihood, environment, the right and/or status of women and youth and physical cultural property. Community, individual and workers safety will be protected as well as ensuring their fair treatment, non-discriminatory and equal treatment.
