to tell the people the direction the State Government wants to move in the subsequent fiscal year and as well as to get inputs from the citizens which will inform Government's decision in the aspect of budgeting. His Excellency further stated that the State Government has critical Landed properties in Enugu, Aba, Lagos and FCT Abuja and it was important to utilize this meeting as a good opportunity for citizens of the State to collectively decide on what to do with them. His Excellency also mentioned that the Government earlier reduced the school fees at the State University in the year 2020, and this made it difficult for the University to pay the staff their full salary. He said that the Government may be compelled to effect an increase in order to meet staff salaries and other financial constraints.

**Breaking of Kola Nuts** - HRH Eze Charles Mkpuma, Eze Burugbala prayed for the Kola and the success of Ebonyi State.
